

Hi, I invite you to embark on a 6 Week prayer journey. My prayer is that you would be encouraged and strengthened to stand firm in the faith and on the firm foundation, Jesus Christ, as He truly is our defense, protection, and shield.

Ramparts are defined as “the protective, outer defensive walls of a castle-a means of protection or defense; a bulwark, the most important form of defense” or “a defensive fortification made of an earthen embankment, often topped by a low protective wall.”

If we are not watchful, our protective boundaries (our unwavering faith and trust in the powerful living God and the truth of His Word) can begin to crumble under the weight of this world.

Here is a link to the free PDF download of the 6 week devotional. If you would like to have a printed copy (best format for effectively working through), I am offering to print and send it to you for free IF you would send a \$10 donation to The Secret Place, “A Home of Refuge and Hope for Child Survivors of Human Trafficking” <https://thesecretplacehome.org> or buy a Penny Bracelet from the Penny Story <http://www.thepennystory.com>, which helps support A21 and the fight against human trafficking.

Just donate and contact me at traci@tracishinnick with your name and address to receive a printed copy.

I'm so expectant for all that God is going to do over these 6 weeks as you go through this study. And I would love to hear from you! Please stay connected <https://tracishinnick.com> Blessings to you!
